Nintendo®

Dear Nintendo Fan:

Thanks for your recent inquiry. We're glad to hear from you and we appreciate your interest in our products and services!

We have enclosed an Intro Pak that contains information about our products and the services we provide. You will find brochures describing the Game Boy, the Nintendo Entertainment System, and the Super Nintendo Entertainment System. These great systems are the "Three Stars of Nintendo!"

We hope that you enjoy your Intro Pak and look forward to hearing from you again. For more information, call our Consumer Service Representatives at 1-800-255-3700. As part of our commitment to consumer service, we also offer game play counseling at 1-206-885-7529, but remember that it's a regular toll call. Our Representatives and Game Play Counselors are available from 4 a.m. to midnight Pacific time, Monday through Saturday, or 8 a.m. to 5 p.m. on Sunday.

Sincerely,

NINTENDO OF AMERICA INC.

1933 *Established an unlimited partnership, Yamauchi Nintendo & Co.*

1947 *Began a distribution company, Marufuku Co. Ltd.*

1950 *Changed the company name from Marufuku Co. Ltd. to Nintendo Playing Card Co. Ltd. Hiroshi Yamauchi took office as President. Absorbed the manufacturing operation of Yamauchi Nintendo & Co.*

1952 *Consolidated factories were dispersed in Kyoto.*

1953 *Became the first to succeed in manufacturing mass-produced plastic playing cards in Japan.*

1959 *Started selling cards printed with Walt Disney characters, opening a new market in children's playing cards. The card department boomed!*

1962 *In January, listed stock on the second section of the Osaka Stock Exchange and on the Kyoto Stock Exchange.*

1963 *Changed company name to Nintendo Co. Ltd. and started manufacturing games in addition to playing cards.*

1969 *Expanded and reinforced the game department; built a production plant in Uji City, a suburb of Kyoto.*

1970 *Stock listing was changed to the first section of the Osaka Stock Exchange. Reconstruction and enlargement of corporate headquarters was completed. Started selling the Beam gun Series, employing opto-electronics. Introduced electronic technology into the toy industry for the first time in Japan.*

1973 *Developed laser clay shooting system to succeed bowling as a major pastime.*

1974 *Developed image projection system employing 16mm film projector for amusement arcades. Began exporting them to America and Europe.*

1975 *In cooperation with Mitsubishi Electric, developed video game system using electronic video recording (EVR) player. Introduced the microprocessor into the video game system the next year.*

1977 *Developed home-use video games in cooperation with Mitsubishi Electric.*

1978 *Created and started selling coin-operated video games using microcomputers.*
